Hear my heart, Lord, as I cry out to You  
Hear my prayer, Lord and carry me through  
In Your mercy in the promise You made  
Be my strength, Lord, when my strength fades away

'Cause when I am weak  
Your strength is complete, it's perfect  
Completely all I need, sufficient for me  
Your grace and Your peace are perfect  
Completely all I need, You're all that I need

In my weakness I'm finding Your strength  
In my sorrow a gentle embrace  
Through the seasons of laughter or pain  
You are listening when I call out Your name

'Cause when I am weak  
Your strength is complete, it's perfect  
Completely all I need, sufficient for me  
Your grace and Your peace are perfect  
Completely all I need, You're all that I need

I'll find You when I seek, I'll look for You with all of my  
heart  
And I'll find You when I'm weak 'cause You are strong

Hear my heart, Lord, as I cry out to You  
Hear my prayer, Lord and carry me through  
Carry me through

'Cause when I am weak  
Your strength is complete, it's perfect  
Completely all I need, sufficient for me  
Your grace and Your peace are perfect  
Completely all I need

'Cause when I am weak  
Your strength is complete, it's perfect  
Completely all I need, sufficient for me  
Your grace and Your peace are perfect  
Completely all I need, You're all that I need
