

China Crisis "Greenacre Bay"

Visit "[Greenacre Bay](#)" on MotoLyrics.com

I wish I was an island,
way across the sea
Run through my greenfield
forever to be free

Sail, take me away
to Greenacre Bay
With hope in our hearts, together
Greenacre Bay

Travel to my birthplace
like darkhorse mystery
Sail from the Mersey
a vision nearer to me

Sail, take me away

to Greenacre Bay
With hope in our hearts, together
Greenacre Bay

Memories they have kept me
in times of hard and despair
Try so hard to make friendship
but nobody can hear

Sail, take me away
to Greenacre Bay
With hope in our hearts, together
Greenacre Bay
