Is this love that took your head to pieces
and could it be a special child to her

Secretly your laughter awakens everyone
Watching over burning fields for a rising sun

... may whisper through the window
I see a place in your sleeping sun

Secretly your laughter awakens everyone

Watching over burning fields for a rising sun

Is this love which showed her what you're feeling
Too talk-ative among people you don't know

Secretly your laughter awakens everyone
Watching over burning fields for a rising sun
Is this...
