Try hard  
try hard to care  
give a little laughter  
and take a bigger share

You really don't need no  
you really don't need sympathy  
forever in danger  
whatever we see

Know why  
know where and when  
give into the same cause

and talk I with the right men

You really don't need no  
you really don't need sympathy  
forever in danger  
whatever we see

Take time  
time to compare  
live a newer lifestyle  
and travel everywhere
