Winter displayed in a snow white haze  
Fire's burning brightly in the night

Tragedy and mystery  
Open your mind and you will see

From waterfalls I hear romantic calls  
Feather in a ray of sunlight

Tragedy and mystery  
Open your mind and you will see

Your world is changing though you cannot see  
And there's no room for secrecy  
Your world is changing faster everyday  
And there's no truth in what they say

Two by two, my Heaven made blue  
Life in a world of love and truth

Tragedy and mystery  
Open your mind and you will see

Your world is changing though you cannot see  
And there's no room for secrecy  
Your world is changing faster everyday  
And there's no truth in what they say

Winter displayed in a snow white haze  
Fire's burning brightly in the night

Tragedy and mystery  
Open your mind and you will see

From waterfalls I hear romantic calls  
Feather in a ray of sunlight

Tragedy and mystery  
Open your mind and you will see

Your world is changing though you cannot see  
And there's no room for secrecy

Your world is changing faster everyday  
And there's no truth in what they say

Your world is changing though you cannot see  
And there's no room for secrecy  
Your world is changing faster everyday  
And there's no truth in what they say
