The buzzard took the monkey for a ride in the air  
The monkey thought that everything was on the square  
The buzzard tried to throw the monkey off his back  
The monkey grabbed his neck and said, "Now listen,  
Jack"

Straighten up and fly right  
Straighten up and fly right  
Straighten up and fly right  
Cool down papa, don't you blow your top

Ain't no use in jivin'  
What's the use in divin'  
Straighten up and fly right  
Cool down papa, don't you blow your top

The buzzard told the monkey you're chokin' me  
Release your hold and I'll set you free  
The monkey looked the buzzard right dead in the eye  
And said your story's touching but it sounds like a lie

Straighten up and fly right  
Straighten up and do right  
Straighten up and fly right  
Cool down papa, don't you blow your top

Straighten up and fly right  
Straighten up and do right  
Straighten up and fly right  
Cool down papa, don't you blow your top

Fly right
