thousand stars in the sky like the stars in your eyes  
They say to me that there'll never be  
No other love like you for me

A thousand stars in the sky make me realize  
You are the one love that i'll adore  
Tell me you love me  
Tell me you're mine once more

Each night I count the stars in the sky  
Hoping that you aren't telling me lies  
You're with me tonight i'm captured by your charms  
Oh pretty baby won't you hold me in your arms

A thousand stars in the sky make me realize  
You are the one love that i'll adore  
Tell me you love me  
Tell me you're mine once more
