(Yesiree Yesiree Yesiree)

Well out of all the boys that I ever knew  
I'd like to spend my time with you-hoo-hoo  
Yesiree (Yesiree Yesiree)  
You're the one for me. (Yesiree Yesiree)  
And I want to tell you something baby.  
(Yesiree) Yesiree (Yesiree )

Well once in a while I'd look around  
A-searchin for a fella but always found  
Yesiree (Yesiree Yesiree)  
You're the one for me (Yesiree Yesiree)  
And I'm gonna let you know it, honey.  
(Yesiree) Yesiree (Yesiree)

You better listen carefully. I'll tell you what's been  
buggin' me.  
The talk around is very strong. You're treatin' me so  
wro-ah-ong.  
Now I'm gonna tell you just how to treat me right.  
Take me in you arms and hold me oh so tight.  
Yesiree (Yesiree Yesiree) You're the one for me  
(Yesiree Yesiree)  
Now for the last time honey baby Whoaaa (Yesiree)  
Yesiree (Yesiree)

You better listen carefully, and I will tell you what is  
buggin' me.  
The talk around is very strong. You're treatin' me so  
wro-ah-ong.  
Now I'm gonna tell you just how to treat me right.  
So take me in you arms and hold me oh so tight.  
Yesiree (Yesiree Yesiree) Well you're the one for me  
(Yesiree Yesiree)  
Now for the last time honey baby Whoaaa (Yesiree)  
Yesiree (Yesiree)

I don't mean maybe Yesiree (Yesiree Yesiree)  
C'mon baby Yesiree
