Stickers talking, full of crap  
Information for dope  
What you throw on me, just came back  
Over you haha, got to go

You wanna know why I left you  
Wanna know why I ran to  
Beautiful boys  
No talking  
Just beautiful boys  
Boys

50 boys "ah" in a row  
Paradise is nothing pure  
Tell the world I'm available  
For Kissing, loving on the floor

You wanna know why I left you  
Wanna know why I ran to  
Beautiful boys  
No talking  
Just beautiful boys  
Boys

"Hey what did I do wrong?"

Grand Theft auto, superstar  
Without a licence or a car  
You want me back,  
Question? What to do?  
See my picture, there's no you

You wanna know why I left you  
Wanna know why I ran to  
Beautiful boys  
No talking  
Just beautiful boys  
Boys

You wanna know why I left you  
Wanna know why I ran to

Beautiful boys  
No talking  
Just beautiful boys  
Boys

I need all my beauty boys, my beauty boys  
I need all my beauty boys  
I need all my beauty boys, my beauty boys  
I need all my beauty boys

You wanna know why I left you  
Wanna know why I ran to  
Beautiful boys  
No talking  
Just beautiful boys  
Boys

You wanna know why I left you  
Wanna know why I ran to  
Beautiful boys  
No talking  
Just beautiful boys  
Boys

You wanna know why I left you  
Wanna know why I ran to  
Beautiful boys  
No talking  
Just beautiful boys  
Boys
