Yesterday a mess, but I am happy today  
Guess I'm like the weather, do you mind?  
Even though I'm smiling I'm not always ok  
Read between the lines, pierce my lies

I'm waiting, I need a fix  
Someone to believe in me  
Get up here I'm down, down on my knees

When I'm  
When I'm lonely baby  
When I'm down  
Would you  
Mind getting dirty  
Catching my fall  
I'm original, I toss and turn  
Would you  
Mind getting dirty  
Catching my fall

If you try to change me, I just want you to know  
I'd rather put a bullet through my head  
Hope it's not an issue that I'm sunshine and snow  
Would you be my hero, don't be afraid  
Estoy esperando, yo necesito ayuda  
Get up here, I'm on my freaking knees

When I'm  
When I'm lonely baby  
When I'm down  
Would you  
Mind getting dirty  
Catching my fall  
I'm original, I toss and turn  
Would you  
Mind getting dirty  
Catching my fall

Going thru emotions and devotions  
I'm a freak  
And more than once I found myself at the edge of a

balcony  
Believing, doubting  
Seems to be my destiny  
Guess life is much more complicated than it used to be

When I'm lonely baby  
When I'm down  
Would you  
Mind getting dirty  
Catching my fall  
I'm original, I toss and turn  
Would you  
Mind getting dirty  
Catching my fall

When I'm lonely baby  
When I'm down  
Would you  
Mind getting dirty  
Catching my fall  
I'm original, I toss and turn  
Would you  
Mind getting dirty  
Catching my fall

Going thru emotions and devotions  
I'm a freak  
And more than once I found myself at the edge of a  
balcony  
Believing, doubting  
Seems to be my destiny  
Guess life is much more complicated than it used to be
