People are watching out for me  
asking for my doctors' name  
leave me in this koma I'm all right  
Wanna paint your name in green  
on every wall I've ever seen  
If you don't dig my flow my life is over

I'm only happy, boy  
When I know you're involved  
Giving TLC when I need it  
He's the dynamite  
Even my parents like  
He makes it happen, he's a keeper

Blasting all our favorites  
we're waking up the neighbours  
boggie wonderland on a 45  
you really charge my batteries  
now I'm full of energy  
you're like fireworks up in the sky

I'm only happy, boy  
When I know you're involved  
Giving TLC when I need it  
He's the dynamite  
Even my parents like  
He makes it happen, he's a keeper

You are Mr Perfect Intruder  
Breaking all the rules  
You are Mr Perfect Pollution  
With that funky groove

I'm only happy, boy  
When I know you're involved  
Giving TLC when I need it  
He's the dynamite  
Even my parents like  
He makes it happen, he's a keeper

He's a keeper

He's dynamite  
Even my parents like

He's a keeper  
He's dynamite  
Even my parents like
