Vers 1

I see you look me up and down
I bet you think I'm out of reach but I'm here right now
And then I look into your eyes
And you look down but peak back up
To find I'm still around

Bridge

I feel a thing I never felt before
How could this happen? I was so secure
And you don't have a clue
Just what I'm bout to do
Guess who won the lottery?

Chorus

Lucky, lucky you
I'm about to hit you up
Lucky, lucky you
I'm about to fill your cup
I'll let you dive and Swim in my ocean
Tonight, tonight my heart is wide open
Lucky, lucky you
I'm about to hit you up
Lucky, lucky you
Lucky, lucky me
Lucky you

Vers 2

But wait a minute, Am I aloud to feel this way
And if it's all inside my head
Then I'm sorry, but I'll think
I gotta tell you straight

Bridge

I feel a thing I never felt before

Almost impossible to ignore
And I don't give a damn
It's all part of the plan
Guess who won the lottery?

Middle 8

I played my cards, and I have delt my heart
If this is meant to be ill leave it up to you
