Well I woke up this morning
Feeling closer than ever to God
Wish he'd sent me a warning but he forgot,
now I feel so bad

Can you keep it, this dirty secret
Can you feel me, oh tell me you do
Can you heal me, cos I'm a believer
And I'll be waiting here till you do

Oh father I've been having these thoughts and I'm
sorry
Say a prayer you know what I need
Oh father I've been touching myself and I'm worried
Is heaven still open for me

It was not my intention
Thought he was from heaven sent
So here's my confession I know I made a fool of myself

Can you do it, can you forgive me
Can you make it, make it undone
Can you heal me, cos I'm a believer
And I'll be waiting here till you do

Oh father I've been having these thoughts and I'm
sorry
Say a prayer you know what I need
Oh father I've been touching myself and I'm worried
Is heaven still open for me

Is heaven still open for me
Is heaven still open, heaven still open
Is heaven still open for me

Could you guide me all the way
to paradise and brighter days
I'll do anything, if you know what I mean,
I don't wanna go down

Oh father I've been having these thoughts and I'm

sorry
Say a prayer you know what I need
Oh father I've been touching myself and I'm worried
Is heaven still open for me

Oh father I've been having these thoughts and I'm
sorry
Say a prayer you know what I need
Oh father I've been touching myself and I'm worried
Is heaven still open for me
Is heaven still open for me
