If you hear somebody knockin' on your door
If you see somebody crawlin' across the floor
Baby, it'll be me, I'll be lookin' for you

If you see somebody climbin' up a telegraph pole
If you find a new lump in your sugar bowl
Baby, it'll be me, I'll be looking for you

I'm gonna search you in the mountains
Down in the deep blue sea
I'm gonna search the country side
And look and look in every tree

If you find a new bait on your fishin' hook
If you find a funny face in your comic book
Baby, it'll be me I'll be lookin' for you
Alright

I'm gonna look in the cities where the lights are blue
Gonna search in the forest and the haystacks too

Well, if you see something shootin' out across the stars
If you see a rocket ship on it's way to Mars
Baby, it'll be me and I'll be lookin' for you
Well baby, it'll be me and I'll be lookin' for you
Well baby, it'll be me and I'll be lookin' for you
