Iâ€™ve travelled the land  
With a guitar in my hand  
And an eye ever open for some fun  
Iâ€™ve made some mistakes  
Had my share of the breaks  
Seen the boys on the make and on the bum

Chorus:

Run for home run as fast as I can  
Oh-oh running man running for home  
Run for home run as fast as I can  
Oh-oh running man running for home

Iâ€™ve seen all the frowns  
On the faces of the clowns  
And the downs that they take just to be free  
And Iâ€™ve seen all the girls  
In their pretty frocks and curls  
But it donâ€™t mean a lot to me

Chorus

And Iâ€™ve been to the places in town  
Where the faces hang round  
Just to stare at each other  
Iâ€™ve looned with them screamed at the moon  
Behaved like a buffoon but I soon discovered

Repeat Chorus until fade
