[Spoken]

[Lindsay:]

No, I like when people talk in the beginning of songs,
I think that's kind of rad,

[Person 1:]

I don't think you should use it

[Lindsay:]

well, something kind of introspective,
something that means a little bit to me,

Person 2:]

like a little more...

[Lindsay:]

...Personal?

You say you gotta go, but what does that mean?
Do you wanna be together or is it just me?
Sometimes I think you're in, until I think you're out
It's like i'm swimming in the deep end, pull me out
Wanted to feel, want you to know,
Wanted to steal a little piece of heaven, I could call my
own

[full Chorus:]

Could we try a little more personal?
Can we throw away all the casual,
Cause the more I know about you, and the more you
know about me
It's easier to be, a little more personal

It's like we do a dance when no one wants to move,
But if I take the first step, maybe we can find a groove,
I'm really trying hard, to not just walk away
I think that it's about time someone said
Want me to feel want me to know
Wanted to steal a little piece of heaven I can call my
own

Can we try a little more personal
Can we throw away all the casual
Cuz the more I know about you and the more you know
about me
It's easier to be a little more personal

I wanna know what goes on in your mystery
I think that I could have the key to unlock everything

Can we try a little more personal
Cuz the more I know about you and the more you know
about me
It's easier to be a little more personal

Can we try a little more personal
Can we throw away all the casual
Cuz the more i know about you and the more you know
about me
It's easier to be a little more personal

You say you gotta go but what does that mean
Do you wanna be together or is it just me
