God wont talk to me  
I guess she's pretty busy lately  
I'd like to believe  
She's listening

I'm starting to feel  
All of my bruises imagined are real  
And I'll get through each day  
I dig through the bad ones  
To get to the good ones  
Who's keeping score anyway?

And this is my beautiful life  
Only thing's certain is everything changes  
The lows and the highs  
And all those goodbyes  
As hard as it gets I know it's still amazing  
To be alive  
It's a beautiful life

I talk in my sleep  
That's the one place i know no one can hear me  
I tell myself things  
Don't walk in the shadows  
There's always tomorrow  
And I'm right where i wanna be?

And this is my beautiful life  
Only thing's certain is everything changes  
The lows and the highs  
And all those goodbyes  
As hard as it gets I know it's still amazing  
To be alive

It hurts while it's happening  
I wanna feel everything  
How will you know til you try?  
And this is my beautiful life

My beautiful life  
Only thing's certain is everything changes  
The lows and the highs

And all those goodbyes  
As hard as it gets I know it's still amazing  
To be alive  
It's a beautiful life [4x]
