Oh  
Oh  
Oh  
Oh

Stop touching me  
Without permission  
Don't disobey  
Answer to me  
Said if you wanna play  
Follow direction  
We do this my way, my way, my way

What do you really want?  
What do wanna know?  
What do you wanna see?  
Where do you wanna go?

If you leave it to me  
We will not go slow  
I got places to be  
When you're ready let me know

(Chorus)  
I'm just a little bossy  
I like it how I like it when I like it  
And that's how it is  
I'm just a little bossy  
You got a problem with it?  
If I want it I get it now

La la la la  
La la la la (I get it now)  
La la la la (I'm just a little bossy)  
La la la la  
La la la la (I get it now)  
La la la la (I'm Just a little bossy)

Trust Me  
You Want Me Happy  
Punishment can be severe

Please me  
And I will gladly  
Brighten up your atmosphere  
Let me shine for you  
Let me Shine For You  
Only if I want to

(Chorus)  
I'm just a little bossy  
I like it how I like it when I like it  
And that's how it is  
I'm just a little bossy  
You got a problem with it?  
If I want it I get it now

La la la la  
La la la la (I get it now)  
La la la la (I'm just a little bossy)  
La la la la  
La la la la (I get it now)  
La la la la (I'm Just a little bossy)

Oh oh oh  
Oh oh oh  
Oh oh oh  
Oh oh oh

Don't tell me no  
Don't tell me no

(Chorus)  
I'm just a little bossy  
I like it how I like it when I like it  
And that's how it is  
I'm just a little bossy  
You got a problem with it?  
If I want it I get it now

La la la la  
La la la la (I get it now)  
La la la la (I'm just a little bossy)  
La la la la  
La la la la (I get it now)  
La la la la (I'm Just a little bossy)

I'm Just a little bossy  
I'm Just a little bossy
