You're the kind of friend who always bends when i'm
broken
like remember when
you took my heart and put it back together again
(he he)
i've been waisting time with blueless skys but now its
over
let me tell you why i'm blue
i've got someone new who's just like you
you're it
you're the ultimate its autamatic i'm sure of it
no lie
so dont even try to tell me that you're not the guy
cause i've been waiting all my life for someone just like
you
but you're it
you're the ultimate you
you're the kind of guy who stands in mind, sends
shivers up and down my spine you took my heart
and put it back together again
(hehe)
you're the kind of guy that blows my mind but now its
my turn you've been right in front of me
everything i need why didn't i see
you're it
you're the ultimate its autamatic i'm sure of it
no lie
so dont even try to tell me that you're not the guy
cause i've been waiting all my life for someone just like
you
but you're it
you're the ultimate you
you're it
you're the ultimate its automatic i'm sure of it
no lie
so dont even try to tell me that you're not the guy
you're it
you're the ultimate its autamatic i'm sure of it
no lie
so dont even try to tell me that i'm not the guy cause
i've been waitng all my life for someone just like you

but you're it
you're the ultimate you
you're it
you're the ultimate you
