I Can't Stop
Thinking bout him
I Can't Stop
no i just can't do it
Won't stop
Trynna get him off my mind
it's just how it is
i can't stop
my heart stops beating
can't stop
and everytime i start to call him
i won't stop
Trynna get him off my mind
but i know will never be

maybe tomorrow will be
a better day but i think it's too late
i read tails of sorrow
but never meant for me
never had the feeling
that you would never end for you and me
can't even put in word how it hurts so
but i can't stand it
what we hads now is in the past
was i Naive to think it would last
cause i can't stop

I Can't Stop
Thinking bout him
I Can't Stop
no i just can't do it
Won't stop
Trynna get him off my mind
it's just how it is
i can't stop
my heart stops beating
can't stop
and everytime i start to call him
i won't stop
Trynna get him off my mind
but i know will never be

it was like there was no tomorrow
almost like you were time was barrow
and not a minute wasted meant everyday of dream
maybe i was to given
but i thought life was for living
never was concern but they said no
i don't understand it
what we hads now is in the past
was i Naive to think it would last
cause i can't stop

I Can't Stop
Thinking bout him
I Can't Stop
no i just can't do it
Won't stop

Trynna get him off my mind
it's just how it is
i can't stop
my heart stops beating
can't stop
and everytime i start to call him
i won't stop
Trynna get him off my mind
but i know will never be

Can't Stop
Thinking bout him
Can't Stop
Thinking bout him
Can't Stop
Thinking bout him
Can't Stop
Thinking bout him
Can't Stop
Thinking bout him
Can't Stop
oh no. i know i can't

I Can't Stop
Thinking bout him
I Can't Stop
no i just can't do it
Won't stop
Trynna get him off my mind
it's just how it is
i can't stop
my heart stops beating
can't stop
and everytime i start to call him

i won't stop
Trynna get him off my mind
but i know will never be

I can't stop
i can't stop
can't stop
i can't stopp
i won't stop
ohh hey it's how it is
I can't stop
i can't stop
can't stop
i can't stop loving you
i won't stop
won't stop ohh noo
can't stop
hey
can't stop
ohhh.
