There was a girl I knew  
Who always wanted to  
Be the one to stand up from the crowd  
Always believed that she  
Was gonna live her dreams  
That what came down was gonna come around

For all the doubters non-believers  
The cynical that once were dreamers  
One of these days you'll open up your eyes  
And you'll realize

(Chorus)  
That girl was a onetime teenage drama queen  
A hacked-up everyday wannabe  
But she'll have changed her destiny  
Now she's a somebody  
That girl was a wild-child dreamer  
But she'll find herself  
Cause she believes in nothing else  
Then you'll look back and you won't believe  
That girl was me

Armed with an attitude  
That she knows how to use  
She's gonna get there anyway she can  
Now she knows what she wants  
No one is gonna stop her  
Nothing can ever hold her back

For all the doubters non-believers  
The cynical that once were dreamers  
One of these days you'll know that you were wrong  
Who would know

(Chorus)

Life is a work of art  
You gotta paint it colorful  
You can make it anything you want  
Don't even stick to any rules

You don't need a high IQ  
To succeed in what you do  
You just gotta have no doubt  
Just believe in yourself

Doubters non-believers  
Once were dreamers  
One of these days you'll open up your eyes  
And you'll realize

(Chorus 2x)
