There was a girl I knew
Who always wanted to
Be the one to stand out from the crowd
Always believed that she
Was gonna live her dreams
That what went down was gonna come around
For all the doubters, non-believers
The cynical that once were dreamers
One of these days you'll open up your eyes
And you'll realize...

[Chorus]

That girl was a one-time teenage drama queen
A hacked-up everyday wannabe
But she'll have changed her destiny
Now she's a somebody
That girl was a wild child, dream of where she'll find
herself
'Cuz she believes in nothing else
And was a don't look back and you won't believe
That girl was me!

Armed with an attitude
That she knows how to use
She's gonna get there any way she can
Now she knows what she wants
No one's gonna stop her
Nothings ever gonna hold her back
For all the doubters, non-believers
The cynical that once were dreamers
One of these days you'll know that you were wrong
Who would know..?

[Chorus]

Life is a work of art
You gotta paint it colorful
You can make it anything you want
Don't ever stick to any rules
You don't need a high IQ
To succeed in what you do

You just gotta have no doubt
Just believe in yourself

Doubters, non-believers
Once were her dreamers
One of these days you'll open up your eyes
And you'll realize...

[Chorus x2]
