From Confessions of a Teenage Drama Queen
Soundtrack

.
Don't move on
Don't move on
Don't move
Don't move
Don't move
Don't move on

You brought me to the highest Mountain,
Out of my, deep despair.
And you don't know how much I need you,
To stand beside you,
To breath your air

Don't move on
Don't move on
Don't move
Don't move
Don't move
Don't move on

This girl, she works,
In downtown New York City.
Surrounded by,
4 walls that ain't so pretty.
Her parents give,
Her love and affection.

To keep her strong,
Movin' in the right direction.

Living just enough,
Just enough,
For the city!

Livin just enough,
For the city.
Livin just enough,

Livin for the city!

So I turn myself to face me,
But I've never,
Caught a glimpse.
How the others must see the faker,
Well I'm much too fast to take that test!

Turn and face the change,
Just gunna hafta be a different girl.

Time-may-change-me
But-I-can't-change-time
