There was a girl I knew
Who always wanted to
Be the one to stand out from the crowd
Always believed that she
Was gonna live her dreams
That what went down was gonna come around

For all the doubters
Non-believers
Once never dreamers
One day will open up your eyes
And realize

Chorus:
That girl was a one time teenage drama queen
Uptown everyday wannabe
She had changed her destiny
Now she's a somebody
That girl was a one chance dream special fantasy
She believes in nothin' else
No luck better than you believe
That girl was me

And with an attitude
That she knows how to use
She's gonna get there any way she can
Now she knows what she wants
No one is gonna stop her
Nothing's ever gonna hold her down

For all the doubters
Non-believers
Once never dreamers
One of these days you'll know that you were wrong
Who would know

Chorus

Life is a work of art
You gotta paint me colorful
You can make it anything you want

Don't have to stick to any rules
You don't have to have a high IQ
To succeed in what you do
You just gotta have me down
Just believe in yourself

Doubters,
Non-believers,
Once never dreamers
One day you'll open up your eyes
And realize

Chorus(3x)
