There was a girl I knew who always wanted to,  
Be the one to stand out from the crowd  
Always believed that she  
Was gonna live her dreams  
That what when down was gonna come around  
For all the doubters, non-believers,  
The cynical that once were dreamers  
One of these days you'll open up your eyes  
And you'll realize

[Chorus]

That girl was a one time teenage drama queen  
A hyped up everyday wannabee  
But she'll have changed her destiny  
Now she's a somebody  
That girl was a wild child dreamer but she found  
herself  
'Cause she believes in nothin' else  
And you'll look back and you won't believe  
That girl was me

Armed with an attitude, that she knows how to use  
She's gonna get there any way she can  
Now she knows what she wants  
No one is gonna stop her  
Nothing's ever gonna hold her down  
For all the doubters,  
Non-believers the cynical that once were dreamers  
One of these days you'll know that you were wrong  
(who would know)

[Chorus]

[Spoken:]

Life is a work of art--you gotta paint it colorful  
Can make it anything you want  
Don't have to stick to any rules  
You don't need a high IQ to succeed in what you do  
You just gotta have no doubt just believe in yourself  
Doubters, non-believers, once were dreamers  
One of these days you'll open up your eyes  
And you'll realize

[Chorus 2X]
