I've got time  
To watch you spin around in circles  
Falling through the cracks  
Inside your mind

That's fine  
And I've been through the darkest hour  
Made it to the other side of you  
I can live without you

I live for the day  
I live for the night  
That you will be desperate  
And dyin' inside

I live for the tears  
To fall down your face  
I live for the words  
You finally say  
I live for the day

You are high  
Thinking you are invincible  
So busy building castles in the sky  
You're done

And you don't even know it  
But your eyes are startin' to show it  
That it's true  
Tryin' to live without love

I live for the day  
I live for the night  
That you will be desperate  
And dyin' inside

I live for the tears  
To fall down your face  
I live for the words  
You finally say  
I live for the day

I live for the day  
Oh, oh, oh  
Day  
Oh, oh, oh  
I can't live without you

I live for the day  
I live for the night  
That you will be desperate  
And dying inside

I live for the tears  
To fall down your face  
I live for the words  
To finally say  
I live for the day  
I live for the day

Oh, wanna see you crawlin'  
Oh, wanna see you crawlin'  
Oh, wanna see you crawlin'  
I live for the day
