### "I Wanna Be Bad"

I wanna be bad (bad)  
I wanna be bad (bad)  
Boom! I wanna be bad  
I wanna be bad, I wanna be bad, so bad

I got all, all these stars, running through my head  
Don't wanna talk wanna rush, you watch me instead  
If you pushin' up on me, pop that personality (yeah)  
For once I wanna be that I don't care chick

It's not about you (it's not about you),  
It's not about me (it's not about me)  
How about that lap dance  
I got cash I'm spending

I wanna be bad  
Boy it's getting hot hot,  
take me to the top (top)  
I can feel you rockin'  
Bounce it, go boom  
I wanna be bad  
I wanna be bad  
I wanna be bad  
I wanna be bad

I'm a put you on tonight,  
I'm gonna be bad  
Go ahead set it off, I wanna be bad  
Gonna be bad (bad)

I know you like, like how I'm flippin' up your game  
I'm a make you lose it, 'bout time your as is tamed  
If you pushin up on me, pop that personality  
Just this once I wanna be that I don't care chick

It's not about you (it's not about you),  
It's not about me (it's not about me)  
How about that lap dance  
I got cash Im spending

I wanna be bad  
Boy it's getting hot hot,  
take me to the top (top)  
I can feel you rockin'  
Bounce it, go boom  
I wanna be bad  
I wanna be bad  
I wanna be bad  
I wanna be bad

I don't even got to know your name  
You'll be thanking me that you came  
Just concentrate on what you're doing to me  
Don't need you to leave your number and gonna call  
Just this and that's all, one night stand baby  
Don't even try

I wanna be bad  
Boy its getting hot hot,  
take me to the top (top)  
I can feel you rockin'  
Bounce it, go boom  
I wanna be bad  
I wanna be bad  
I wanna be bad  
I wanna be bad

Im gonna be bad yeah  
I wanna be bad yeah
