No, I like when people talk in the beginning of songs  
I think that's kinda rat  
(I don't think you should use it)  
Well something kinda introspective, something that  
means a bit to me  
(Like a little more?)  
Personal

You say you gotta go but what does that mean?  
Do you wanna be together or is it just me?  
Sometimes I think you're in, until' I think you're out  
It's like I'm swimmin' in the deep and pull me out

Want it to feel, want it to know  
Want it to steal a little piece of Heaven, I can call my  
own

Can we try a little more personal?  
Can we throw away all the casual?  
'Cuz the more I know about you  
And the more you know about me  
It's easier to be  
A little more personal

It's like we do a dance where no one wants to move  
But if I take the first then maybe we can find a groove  
I'm really tryin' hard to not just walk away  
I think that it's about time someone said

Want it to feel, want it to know  
Want it to steal a little piece of Heaven, I can call my  
own

Can we try a little more personal?  
Can we throw away all the casual?  
'Cuz the more I know about you  
And the more you know about me  
It's easier to be  
A little more personal

I wanna know what goes on in your mystery  
I think that I could have the key to run back everything

Can we try a little more personal?  
'Cuz the more I know about you  
And the more you know about me  
It's easier to be  
A little more personal

Can we try a little more personal?  
Can we throw away all the casual?  
'Cuz the more I know about you  
And the more you know about me  
It's easier to be  
A little more personal

You say you gotta go but what does that mean?  
Do you wanna be together or is it just me?
