Life is a story
Listen while I tell it
Love (love) and faith (and faith) and inspiration

Love & Faith & Inspiration
Language without conversation
Love & Faith & Inspiration
Language without conversation

Love & Faith & Inspiration
Language without conversation
There's no better God creation
Planet Earth is our vacation
Love & Faith & Inspiration
(say it again)

Love & Faith & Inspiration
Language without conversation
There's no better God creation
Planet Earth is our vacation
Love & Faith & Inspiration

Now the rain is falling hard
Standing in my own backyard
Dreaming of a kiss
Do we have to be enemies like this?

Love & Faith & Inspiration
Sing a song of meditation
If you're feeling desperation
There's just one medication
Love & Faith & Inspiration

Love & Faith & Inspiration
Baby it's our destination
Fill the world with education
It's a soul stimulation
Love & Faith & Inspiration

Life is a story
Gentle as the wind

Listen while I tell it
Love is where it begins
Love & Faith & Inspiration
