Hey boys hey girls hey anybody who will listen.
In case you haven't noticed it's just me against the
world
Today
I fell out of the wrong side of the bed and landed in the
worst
Mood
Stupid alarm clock screamin at me from across the
room.

Chorus
I'm trying to be nice, i'm trying to be reasonable.
But it's oh so hard when i don't wanna be
You're looking for that nice girl from the day before
Don't bother she don't live here anymore.
Cause it's be against the world (just stay out of my way)
In case you haven't noticed and in case you haven't
heard
It's just me against the world and the world is winning

Should have let me stay in bed
I got this pounding in my head
Nothing's okay now would you stay out of my face?
Today i'm slamming doors i'm slamming phones down
Watch out for this temper tantrum
Stay out of my way cause if you don't you will be scared
away

Chorus

I'm gonna be impossible. i've gotta tell you i'm seein
red
(repeat 3x)
I'm gonna make you believe what i said, i'm gonna
make you..

Cause it's be against the world (oh what a stupid day)
It's just me against the world and the world is winning
(just stay out of my way)
And in case you haven't noticed, in case you haven't
heard

It's just me against the world (oh what a stupid day)
Yeah it's me against the world (just stay out of my way)
In case you haven't noticed and in case you haven't
heard
It's just me against the world and the world is winning
