You brought me to the highest mountain  
Out of my, deep despair  
And you don't know how much I need you  
To stand beside you  
To breath your air

Don't move on  
Don't move on  
Don't move  
Don't move  
Don't move  
Don't move on

This girl, she works  
In downtown New York City  
Surrounded by  
Four walls that ain't so pretty  
Her parents give  
Her love and affection  
To keep her strong  
Movin' in the right direction

Living just enough  
Just enough  
For the city!  
Yeah yeah

Livin just enough  
For the city  
Livin just enough  
Livin for the city

So I turn myself to face me  
But I've never  
Caught a glimpse  
How the others must see the faker  
Well I'm much too fast to take that test

Turn and face the change  
Just gunna hafta be a different girl

Time-may-change-me  
But-I-can-trace-timeest mountain
