I was born a fighter
I was born on a rainy day
I've had my share of pain
But you've missed most of that
So many other things you had to do
You looked after you

Do you remember what you did?
Do you know just what you've missed?
And do you care about that word I have to say?

You took my innocence away
And never had a chance to
You broke me in with your mistakes
And thanks for the breakthrough

But you won't bring me down
I always am around
You took my innocence away
But the best of me stayed

It could be your blood
Runnin' through all my veins
That ties me to your fame
If I could just close my eyes
I'd blackout all the reasons why
Were still in this place

What you want is what you got
You should've dragged to make it stop
I guess you couldn't find a way to let me earn

You took my innocence away
And never had a chance to
You broke me in with your mistakes
Well, thanks for the breakthrough

But you won't bring me down
I always am around
You took my innocence away
But the best of me stayed

Loneliness has filled my sole
And it creeps inside, it takes control
And I don't know how to begin
Givin' up on everything

My innocence
You took my innocence away
You took my innocence away
And never had a chance to
You broke me in with your mistakes

Well, thanks for the breakthrough
But you won't bring me down
I always am around
You took my innocence away
But the best of me stayed

But the best of me stayed
But the best of me stayed
Oh, but the best of me stayed
