My bad was not to let you in
When you stood by me better than a best friend
And I thank you for givin' me a hand
Hercules, Superman
Now I'm your biggest fan

You're #1 with a bullet baby
(Chorus)
When it comes to sparks you're making all the marks
You're #1 with a bullet honey

Shame, shame I almost didn't see
In this heart of hearts, you've been tearin' up the charts
So lets go right up to the top
Hold me and do not stop

Who you were inside how much you mean to me
Baby boy hit the spot
(Chorus)

It's the one thing that's ever changing
Whenever this world gets to crazy
Your love will save me
I always have a place I can go
Oh boy

(Chorus)
