I wasn't looking but I found you
I wasn't ready but you got me anyway
I wasn't looking but I had to
And now it seems like I can never look away

I'm going down, down, down
I am not myself when you're around, 'round, 'round
No matter what I do it's too fast to slow
This won't last but I should go
But I can't help it, I can't I am

Stuck, stuck, stuck
I can try to run but I am out of luck, luck, luck
Doesn't matter where I go I feel stuck
Sticky fingers, sticky hands, sticky
And I am stuck, stuck, stuck
And I ain't going out stuck

I didn't listen but I heard you
I wasn't there and yet you swept me off my feet
And there is no one I can turn to
Yeah, I can run but you have got me on the deep
I'm not okay, 'kay, 'kay
Once again my heart got in the way, way, way
No matter what I do
It's too wrong to right try to reason try to fight

But I can't help it, I can't I am

Stuck, stuck, stuck
Yeah, I can try to run but I am out of luck, luck, luck
Doesn't matter where I go I feel stuck
Sticky fingers, sticky hands, sticky
And I am stuck, stuck, stuck
Oh-oh, oh-oh
I'm still stuck

I can try to run but I am out of luck, luck
Doesn't matter where I go I'm still stuck, stuck
I can try to run but I am out of luck, luck
Stuck, stuck
I'm stuck, stuck

I can't I am stuck, stuck, stuck
I can try to run but I am out of luck, luck, luck
Doesn't matter where I go I feel stuck
Sticky fingers, sticky hands, sticky
I am stuck, stuck, stuck
And I ain't going I'm stuck
