Yeah,Yeah

Get up, Get out
We're number one there's no doubt
I'm all wrong, you're right
It's all the same with you
I'm too fit, too fat
You miss squat
So why,
So why,
So why,
So why

On and on,
And on and on,
On and on,
And on and on,

Chorus
Don't want to grow up
I want to get out
Hey, take me away
I want to shout out
Take me away,
Away,
Away,
Away,
Away,

Round and round here we go again
Same old start, same old end
Turn my head
And turn back again
Same old stuff never ends
Do this, do that
Can't deal Can't deal with that
I tune in, tune out
I've heard it all before
Hello, goodbye
Never asking me why,
Goodbye,

Goodbye,
Goodbye,

On and on,
And on and on,
On and on,
And on and on,

Chorus
Don't want to grow up
I want to get out
Hey, take me away
I want to shout out
Take me away,
Away,
Away,
Away,
Away,

(Chorus Repeat 2x)

Round and round here we go again
Same old story, same old end
Turn my head
And turn back again
Same old stuff never ends
