Yeah,yeah

Get up,get up,get out,move on,there's no doubt  
I'm all wrong,you're right,it's all the same with you  
I'm too thin,too fat,you ask why so why,so why,so why,  
so why  
On and on and on and on, on and on and on and on

Don't want to grow up, I want to get out  
Hey take me away,I want to shout out  
Take me away,away,away,away,away

Round and round,here we go again  
Same old stuff,same old end  
Turn my head and I turn back again  
Same old stuff,never ends

Do this,do that,can't deal,can't deal with that  
I tune in,tune out,I've heard it all before  
Hello,good bye,never asking me why,good bye,good  
bye,

good bye  
On and on and on and on, on and on and on and on

Don't want to grow up, I want to get out  
Hey take me away,I want to shout out  
Take me away,away,away,away,away

Don't want to grow up, I want to get out  
Hey take me away,I want to shout out  
Take me away,away,away,away,away

Don't want to grow up, I want to get out  
Hey take me away,I want to shout out  
Take me away,away,away,away,away

Round and round,here we go again  
Same old stuff,same old end  
Turn my head and I turn back again  
Same old stuff,never ends
