There was a girl I knew
Who always wanted to
Be the one to stand out from the crowd
Always believed that she
Was gonna live her dreams
That what went down was gonna come around

For all the doubters, non-believers
The sinical, that once were dreamers
One of these you'll open up your eyes
And you'll realize

Chorus:
That girl was a one time teenage drama queen
A hot, tough everyday wannabe
But she'll have changed her destiny
Now she's a somebody
That girl was a wild child dreamer but she'll find
herself
Cause she believes in nothing else
And you'll look back and you won't believe
That girl was me

Armed with an attitude
That she knows how to use
She's gonna get there anyway she can
Now she knows what she wants
No one is gonna stop her
Nothing's ever gonna hold her back

For all the doubters, non-believers
The sinical, that once were dreamers
One of these days you'll know that you were wrong
Who would've known?

Chorus:
That girl was a one time teenage drama queen
A hot, tough everyday wannabe
But she'll have changed her destiny
Now she's a somebody
That girl was a wild child dreamer but she'll find

herself
Cause she believes in nothing else
And you'll look back and you won't believe
That girl was me

Life is a work of art
You gotta paint it colorful
Can make it anything you want
Don't ever stick to any rules
You dont need a high IQ
To succeed in what you do
You just gotta have no doubt
Just believe in yourself

Doubters, non-believers
Once were dreamers
One of these days you'll open up your eyes
And you'll realize

Chorus:
That girl was a one time teenage drama queen
A hot, tough everyday wannabe
But she'll have changed her destiny
Now she's a somebody
That girl was a wild child dreamer but she'll find
herself
Cause she believes in nothing else
And you'll look back and you won't believe
That girl was me
