There was a girl I knew
Who always wanted to
Be the one to stand out from the crowd.
Always believe that she
Was gonna live her dreams
That what went down was gonna come around.

For all the doubters, non-believers,
The cynical, that once were dreamers,
One of these days you'll open up your eyes,
(and you'll realize)

That girl was a one time teenage drama queen,
A happed up everyday you wanna be,
But she'll have changed her desitiny,
Now she's a somebody.

That girl was a watch out dreamer cause she'll find
herself,
Cause she believes in nothing else,
Then you'll look back,
and you won't believe,
That girl was me.

Shes with an attitude,
That she knows how to use,
She's gonna get there anyway she can.
Now she knows what she wants,
No one is gonna stop her,
Nothing's ever gonna hold her down.

For all the doubters, non-believers,
The cynical, that once were dreamers,
One of these days you'll know that you were wrong,
(who would've known)

That girl was a one time teenage drama queen,
A happed up everyday you wanna be,
But she'll have changed her desitiny,
Now she's a somebody.

That girl was a watch out dreamer cause she'll find her
self,
Cause she believes in nothing else,
Then you'll look back,
and you won't believe,
That girl was me.

Life is a work of art,
You gotta paint it colorful.
You can make it anything you want,
Don't ever stick to any rules.
You don't need a high IQ,
To succeed in what you do.
You just gotta have no doubt,
Just believe in yourself.

Doubters, Non-believers,
Once were her dreamers.
One of these days you'll open up your eyes,
(and you'll realize)

That girl was a one time teenage drama queen,
A happed up everyday you wanna be,
But she'll have changed her desitiny,
Now she's a somebody.

That girl was a watch out dreamer cause she'll find her
self,
Cause she believes in nothing else,
Then you'll look back,
and you won't believe,
That girl was me.

That girl was a one time teenage drama queen,
