Let me tell you why...I'm through...I've got someone  
new who's just like you!  
I've been wasting time with clueless guys but now it's  
over.  
You took my heart and put it back together again.  
Like remember when...  
Who always bends when I'm broken,

You're the kind of friend

You're it, You're the Ultimate,  
It's automatic I'm sure of it.  
No lie, So don't even try  
To tell me that you're not the guy.  
Cuz I've been waiting all my life for someone just like  
you,  
But you're it..You're the Ultimate you.

You're the kind of guy whos hand's in mine..  
Sends shivers, up and down my spine.  
I wanna do to you, what you do to me.  
You're the kind of guy that blows my mind..  
But now it's my turn, You've been right in front of me.  
Everything I kenw why didn't I feel?

You're it, You're the Ultimate,  
It's automatic I'm sure of it.  
No lie, So don't even try  
To tell me that you're not the guy.  
Cuz I've been waiting all my life for someone just like  
you,  
But you're it..You're the Ultimate you.

You're it, You're the Ultimate,  
It's automatic I'm sure of it.  
No lie, So don't even try  
To tell me that you're not the guy.  
You're it, You're the Ultimate,  
It's automatic I'm sure of it.  
No lie, So don't even try  
To tell me that you're not the guy.  
Cuz I've been waiting all my life for someone just like

you,  
But you're it..You're the Ultimate you.

You're it...you're the Ultimate YOU!
