The bell rings, school's out  
Friends go crazy, Teachers shout  
Time slips by, a year is gone  
Guess I'll kick another summer back  
And sing this song  
Don'tcha know that

Sittin' on a throne won't make you king  
Starin' at the phone won't make it ring  
Tryin' not to lose won't win no game  
Wastin' love's just a Cryin' Shame  
Just a Cryin' Shame

In the hall day after day  
We check each other out, yea, then look away  
How long can this game last  
Before this heart of mine stops beating fast  
Don'tcha know that

Sittin' on a throne won't make you king  
Starin' at the phone won't make it ring  
Tryin' not to lose won't win no game  
Wastin' love's just a Cryin' Shame  
Cryin' Shame

And if you're waiting for me to make a move  
I've hope you've got a better plan, because  
When it comes to boys playin' it cool  
This city girl is old school  
Don'tcha know that

Sittin' on a throne won't make you king  
Starin' at the phone won't make it ring  
Tryin' not to lose won't win no game  
Wastin' love's just a Cryin' Shame  
Cryin' Shame

One good reason don't make no rhyme  
Actin' shy's just a waste of my time  
Let's take two candles and make one flame  
Wastin' love's just a Cryin' Shame  
Just a cryin' shame
