All I need
Is everything you are

Love can be complicated
Too often mistranslated
One word's for all dynamics
Can lead to problematics

Emotions and affections
Feelings in all directions
Sometimes a simple action
Creates satisfaction

And as long as you are mine
I will take the time
To let you know
What I feel for-

All I need
Is everything you are
Complete
And if you ever fall
I'll be
Here standing in the shadow of my heart

Cherish, she wants to chatter [?]
Mind games over matter
Not looking for suggestions
More answers, with questions

I speak with hugs and kisses
'Cause true love never misses
I will lead or follow

To be with you tomorrow

And as long as you are mine
I will take the time
To let you know
What I feel for-

All I need

Is everything you are
Complete
And if you ever fall
I'll be
Here standing in the shadow of my heart

There's nothing you could ever say, whoa..
[there's nothing you could ever say]
To make me wanna walk away

And as long as you are mine
I will remind [myself]
This love is free

All I need
Is everything you are
Complete
And if you ever fall
I'll be
Here standing in the shadow of my heart
