my bad was not to let u in
when u stood by me better then a best friend
and i thank u for givin me a hand
now im ur biggest fan
hercules superman

ur #1 with a bullet baby
when it comes to sparks ur making all the marks
ur #1 with bullet honey
in this heart of hearts
uve been tearin up teh charts

shame shame i almost didn't see
who u were inside how much u mean to me
so lets go right up to the top
hold me and do not stop
baby boy hit the spot
ur #1 with a bullet baby
when it comes to sparks ur making all the marks
ur #1 with a bullet honey in this heart of hearts
uve been tearing up the charts

it the one thing thats never changing i alwasy have a
place i can go
whenevr this world gets to crazy
ur love will save me
oh boy

ur #1 with a bullet baby
when it comes to sparks ur making all the marks
ur #1 with a bullet honey in this heart of heart
uve been tearing up the charts
