Gonna bit my lip
Till it bleeds
Hold my breath
Under the sheets

What do you want me to say
Stuff the words in my mouth
Cut me open
Let the monster out

Love is a lie
Fate is a lie
The scream of the brakes and somebody cries
Pain is the truth
Truth is we die
Who are you to tell me to open my eyes
When all I see is lies

Gonna run my hand
Across the flame
Pour my pleasure
Down the drain

I don't have a choice
Who's pulling the strings
Cut me loose
Let my life begin

Love is a lie
Fate is a lie
The scream of the brakes and somebody cries

Pain is the truth
Truth is we die
Who are you to tell me to open my eyes
When all I see is lies
Love is a lie
Fate is a lie
The scream of the brakes and somebody cries
Pain is the truth
Truth is we die
Who are you to tell me to open my eyes

When all I see is lies

I'm on my knees
But the words won't come
Am I the only one
Am I the only one

Love is a lie
Fate is a lie
The scream of the brakes and somebody cries
Pain is the truth
Truth is we die
Who are you to tell me to open my eyes
When all I see is lies
