Two, ah-three, ah-four!

Two, ah-three, ah-four!

Two, ah-three, ah-four!

I really should be saying goodnight.

I really shouldn't stay anymore.

It's been so long since I held ya.

I've forgotten what love is for.

I should run on the double . . .

I think I'm in trouble,

I think I'm in trouble.

So come to me darlin' and hold me

Let your honey keep you warm

Been so long since I held ya

I've forgotten what love is for.

I should run on the double . . .

I think I'm in trouble.
