We went dancin' across the USA
On that crazy king's highway
Too much passion
Too much play
We went dancin'...dancin'...dancin' across the USA

Well the curtain falls too early, so they say
Some will go
Others just stay and stay
So have a round on me my friend
Buttercup days are through
You know I always love 'em
But I think it's time that we flew

We went dancin' across the USA
On that crazy king's highway
Too much passion
Too much play
We went dancin'...dancin'...dancin' across the USA

I wonder if they'll ever understand
The trials of a freedom seeking man
So have a round on me my friend
What else can we do
You know I always love ya
But I think it's time that we flew

We went dancin' across the USA
On that crazy king's highway
Too much passion
Too much play
We went dancin'...dancin'...dancin' across the USA

Dancin'...dancin'...dancin' across the US
We went dancin'...
Dancin'...dancin'...dancin' across the US
We went dancin'...
Dancin'...dancin'...dancin' across the US
We went dancin'...
Dancin'...dancin'...dancin' across the US
We went dancin'...

Dancin'...dancin'...dancin' across the US
We went dancin...
