I want you
I have for so long
I want you
Was I right, was I wrong
I want you
Through the pleasure and the pain
I want you
Again and again
I want you
I have for so long
I want you
Was I right, was I wrong
I want you
I guess I had to prove
I want you
I was someone hard to lose

I'm the spartan splasher,
Defensive man of steel
If the right one don't get ya,
Well the left one will
I sleep all alone

It's all I can do

I want you
I want you right now
I want you
I want you right now

I'm a bundle of joy
A pocketful of tears
Got enough of both
To last all the years
I live all alone
It's all I can do

I want you
I want you right now
I want you
I want you right now
