Just say we'll meet again
When the sunset spell is gone in the wind
Please say we'll meet again

Everyone sees a tear in the seam
But talks about the weather
Everyone pays a price for these dreams
So why not dream these dreams together

Just say we'll meet again
When the sunset spell is gone in the wind
Please say we'll meet again

That was a dream, that was a time
But nothing lasts forever
Sooner or later we all must go blind
But we can dream these dreams together

Just say we'll meet again
When the sunset spell is gone in the wind
Please say we'll meet again
