Two days later she was giving me the monkey

You know her chango

I left a real guango

I hit a branco

In my homeboys branco

Intill this day, Im still her Sancho

She use to beg me to just make her mango  
But i got azco  
Instead she gave me caspo  
I hit it on the pizo  
Gave your girl the chorizo  
Go up out the shower and she cooked me a gizo  
The more leather story it's you just a little weasle

When you see me swangin pain

You little putos, okay  
You little haters and jealous cause i got more platinum

Not pesos pendejo
