He primo, wachale con mi disco
Its gonna come out real soon
Its called Chingo Bling, the name of the CD is "What Did He Said"
Because alot of people, they like to say "What did he said?" after I rap, I don't know why...

J'all some little putitos
Some little jotitos
Got more wood in my Regal
Than them boys in Home Depot
Chingo Bling, culero the number one Freestylero
You might know me from el grupo "Los Trailereros"
Hog the lane, swang and bang, Chingo Bling piece and chain
Got a rooster on my back and under that it says my name

Little diamonds on my chain,
Big diamonds on my ring,
Other one is on my pinky crawlin on some twinkly inky
Chingo Bling, I'm on fire
You can't stop me, you don't know
I just bearily met your hoe, took her back to M?xico
(Wachale!)

Diamonds, Platinum, how I chine
You don't wanna see me pull out my nine
Diamonds on my wrist that'll make you go blind
Cover your eyes since you don't wanna go blind

- Hey Louisa, why you left me for Chingo?
- Cause you don't got no diamonds, stupid.

You see me at the pulga you don't see me at the mall
I started to run fast, but the migra made me fall
Sopita de rice, sopita de pollo
Tengo dientes de ice you got dientes de foil

Aqui mero culeros por Los Stone City Records
Mirame el grill, mira mira

Platinum and diamonds stupid
No chingaderas,
You know what you wanna see me with big tiggers en el
basement,
Or you might see me with Johnny Canales
Mismo jale, just different canales okay?

And you little boot leggers, bootleggin my chit in the
underground
Stop it!
Cause i already know ok? Stop it.
Putos...
Stop bootleggin my chit culeros!
