Wake up to a Sunny Day  
Not a cloud up in the sky  
And then it starts to rain  
My defenses hit the ground  
And they shatter all around  
So open and exposed  
But I found strength in the struggle  
Face to face with my troubles

When you're broken  
In a Million little pieces  
And your tryin'  
But you can't hold on any more  
Every tear falls down for a reason  
Don't you stop believin' in your self  
When you're broken

Little girl don't be so blue  
I know what you're going through  
Don't let it beat you up  
Hittin' walls and gettin' scars  
Only makes you who you are  
Only makes you who you are  
No matter how much your heart is aching

There is beauty in the breaking  
Yeah

When you're broken  
In a Million little pieces  
And your tryin'  
But you can't hold on any more  
Every tear falls down for a reason  
Don't you stop believin' in your self  
When you're broken

Better days are gonna find you once again  
Every piece will find it's place  
When you're broken  
When you're broken

When you're broken

In a Million little pieces  
And your tryin'  
But you can't hold on any more  
Every tear falls down for a reason  
Don't you stop believin' in your self  
When you're broken  
Oh When you're broken  
When you're broken  
When you're broken
